

It's That Time of the Year to Either Renew or Join!

We are running our yearly Goose Bay Reclamation Corp. (GBRC) membership drive to support ongoing efforts to control the Eurasian Milfoil in Goose Bay. Our Great Lakes Restoration Initiative grant, which was seeded by GBRC funds and which ran from 2017 to 2020, enabled treatment of 380 acres of the Bay with a combination of herbicide and mechanical harvesting. GBRC continues to explore new grant opportunities while building bridges to local and state officials and agencies. GBRC seed funding and volunteer efforts are key to securing the grant funds necessary for meaningful milfoil control. Monies raised from this year's membership drive plus additional fundraising activities (see our website for more information) will be used to support ongoing milfoil control efforts. **Please consider becoming a member or renewing your membership by completing the form below.** You can also renew your membership online at our website, goosebayreclamationcorp.org. By including your email address, you will help us save on future mailing costs. Also, please consider making a tax-deductible donation to support GBRC's efforts to preserve Goose Bay. See our website to learn more about us.

Goose Bay Reclamation Corporation

2024 MEMBERSHIP: Please return this form with your check by mail, pay by Venmo or Paypal, or use the QR code below to enroll electronically.

Please enroll (or re-enroll) me as a member of the Goose Bay Reclamation Corporation: (Please print)
